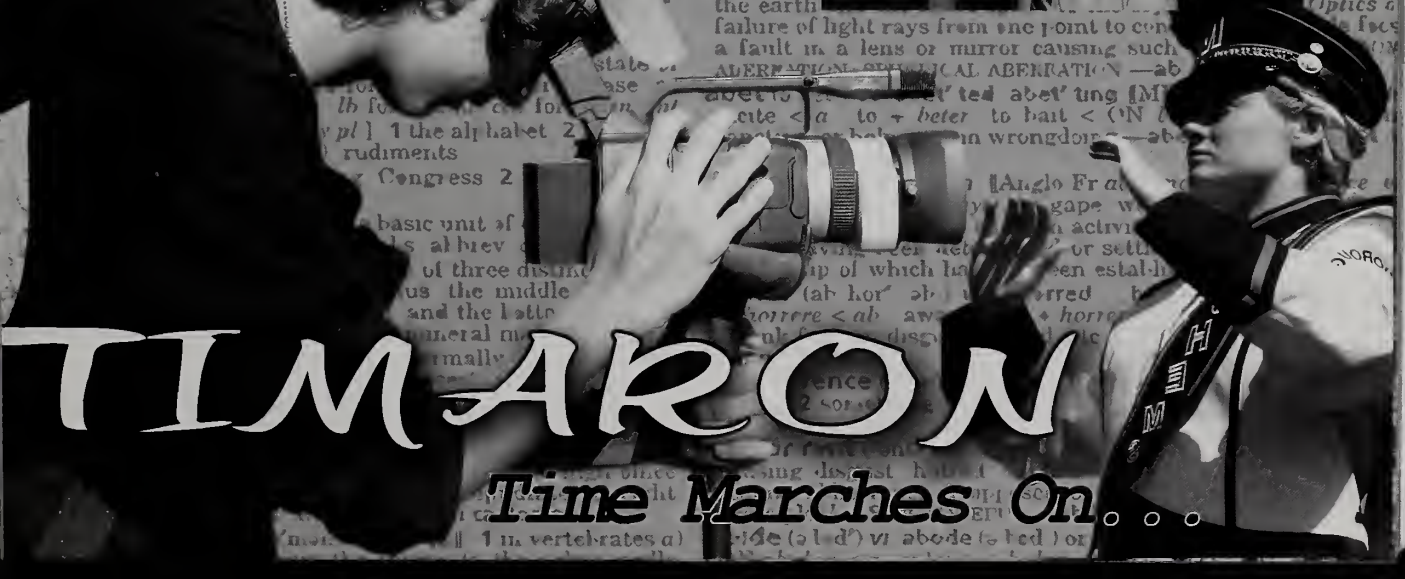
I don't know about you, but I think that the time spent at Middleborough High School is truly

Beyond Definition.

The 2009 edition of Timaron captures all the day-to-day activities of a MHS student... from Homecoming and time spent with friends, to Speech and Theatre productions, classes, Student Council meetings and everything in between. Hopefully, this yearbook captures what your years in High School have meant to you.

This yearbook is dedicated to Brian McMahon and Joseph DeYoung, two members of the Class of 2009 who passed away on December 11, 2008. Rest In Peace.



TIMARON

Time Marches On...

A Note from the Principal

Mrs. Katherine Flaherty

Dear Seniors,
Each year I am asked to write a farewell message to our graduates. This year's message is the most difficult one I have had to write. The Class of 2009 is the first class that I have had the honor of being their principal for four years. We entered Middleborough High School together. Your first Senior-Freshman Buddy Night was my first. Every tradition at Middleborough High School that you experienced freshman year I experienced that year as well. Congratulations and best wishes for a wonderful future.
Sincerely Yours,
Mrs. Katherine Flaherty
Principal

A Note from the Superintendent

Dr. Robert Sullivan

Dear Class of 2009,
Congratulations.
The entire school community is proud of your accomplishments. Graduation from Middleborough High School is a significant milestone in your educational journey. Your high school diploma provides you with a foundation of skills and knowledge to pursue your dreams. Remember though, continuing your education will not only be necessary to achieve your dreams in this new global economy but essential.
I have great confidence in the Class of 2009: confidence that you will, through your perseverance and talents, become engineers, soldiers, doctors, parents, carpenters, and CEOs, and achieve many other pursuits that will make significant contributions to the world we all share.
Good luck in all of your endeavors.
Sincerely,
Robert M. Sullivan, Ed.D.
Superintendent of Schools

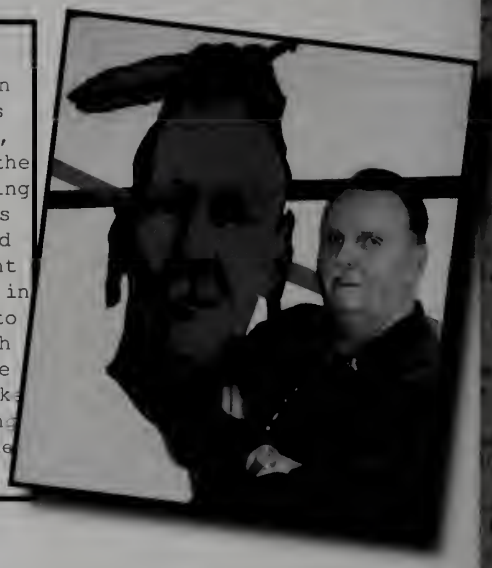
Mr. Harry Griswold

An icon at Middleborough High School for as long as anyone can remember, Mr. Harry Griswold retired this year after 32 years on the MHS custodial staff. Under the title of head custodian, Harry wore many hats. Whether he was taking sports photos for the TIMARON, appearing in numerous student productions, or just being himself Harry was always at the forefront of MHS life. Harry's helpful attitude and sense ople always knew that if you needed help Harry would lend a hand. Harry's good nature and excellent rapport with the students has never gone unnoticed and was put in the spotlight in 2000 when that year's TIMARON was dedicated to him after his recovery from a heart attack. Middleborough High school will not be the same without Harry Griswold gracing the corridors and we wish him the best. Also, the TIMARON would lik to extend a special thank you to Harry for all his years takin sports photos for us. Thank you Harry for all that you have done for MHS!



Mrs. Joanne Norton

Mrs. Joanne Norton retired as Middleborough High School Librarian this year. Joanne came to us in 2007 after 13 years working in the elementary school library. Although she wasn't a part of MHS for long, her quick adjustment to the rigors of the high school library and her knowledge and love of books helped her to become an integral part of life here at MHS. One of Mrs. Norton's favorite parts about being at MHS was working with students that she taught at the Burkland, again s high school students. Although Mrs. Norton leaves a arger legacy at a different school, her commitment to MHS will not be forgotten. Thank you Mrs. Norton for ll that you have done for Middleborough High School!

Mrs. Linda Willoughby

Whether it was teaching students about childcare and development or explaining the steps and processes that go into a good meal, Mrs. Linda Willoughby was up for the challenge. Retiring this year after six years teaching at Middleborough High School, Mrs. Willoughby will leave a lasting impression on her students. Skills that were learned in her classroom will help to guide and shape her students and the people in her students care for a lifetime to come. Thank you for your commitment to your students and dedication to MHS Mrs. Willoughby!

JUNIORS

Dear Class of 2009,

Ms. Zibrat

It has been an amazing journey together over the past four years. I've enjoyed every moment of watching you change from inquisitive freshmen into the confident, accomplished young adults you are today. You've shown a level of academic, athletic and personal achievement that serves as a model for other classes to follow and I'm incredibly proud to have served as your class advisor for the past four years. Never forget the lessons you've learned here at MHS nor the people that have helped you become who you are today. I now encourage you to see the world beyond Middleboro and reach for the stars. The world is at your doorstep and it's time for you to choose your path. Congratulations and good luck.
I wish you all the best, Mrs. Bradbury (aka Ms. Zibrat)

From raking leaves at the Holden's to winning almost every class competition in the school... The Class of 2009 has done nothing but shine! Even as freshmen, you were leaders of our school and set the mark high for the other classes to try to reach. I have seen so much potential out of you all during your time at MHS. Your hard work and dedication over the past four years is now paying off. You have graduated and are now off to pursue your dreams. I look forward to hearing of all your accomplishments in the future.
Thank you for all the memories.
Peace out, Ms. Furlong

Ms. Furlong

Sincerely,
Your Advisors

In Loving Memory Of...

Brian McMahon

2/9/1991-12/11/2008

Nicholas James Thomas

May 22, 1978-February 9, 2009

Nick Thomas was a loving and devoted father, son, brother and friend. Despite all that life threw his way, he grew to be an amazing man. He had no greater love than that of his two beautiful daughters, Isabella and Lilly. He cherished every moment that he had with them. He will be greatly missed, but never forgotten and always loved.

Upon the passing of Joe DeYoung and Brian McMahon, Nick Thomas set up a fund in their honor. Both families greatly appreciated this charitable and thoughtful act of kindness.

Joseph William DeYoung

11/28/1990-12/11/2008

They say there is a reason,
They say that time will heal,
But neither time nor reason,
Will change the way we feel,
For no one knows the heartache,
That lies behind our smiles
No one knows how many times,
We have broken down and cried,
We want to tell you something,
So there won't be any doubt,
You're so wonderful to think of,
But so hard to be without.

STUDENT LIFE

INVOLVEMENT

DEFINE YOURSELF

"We, The members of the Student Council, are committed to being the voice of all students while providing opportunities for students to grow, as we create a high school that is not only a learning experience, but also an experience in itself"

Student Council

The Middleboro High School Student Council is an award-winning council of students who are committed to leading, organizing and facilitating school events, pep-rallies, service projects, and fund raisers. The council regularly meets on Wednesday nights to plan events and make decisions about how to keep the Sachem Spirit alive at MHS! This year, several of its council members were representatives at the SEMASC (Southeastern Massachusetts Association of Student Councils) conferences and the annual MASC (Massachusetts Association of Student Council) conference in Hyannis.

Student Advisory Council

The Student Advisory Council (SAC) is made up of students who are elected annually to serve as representatives to the Southeast Regional Student Advisory Council. With the help of the students, SAC can discuss legislation that impacts all students. The year's representatives are Dillon Simmons ('09), Courtney Bigelow('09) and Stephanie Carter ('11)

Every year a sophomore student is selected to be a part of the HOBY program. This year thousands of men and women will participate in the Hugh O'Brian Youth Leadership (HOBY) program, making it America's premiere youth leadership development program. HOBY started in 1958 and nationally reaches out to every public and private high school. This year sophomore Matt Rebell has been selected to represent HOBY for MHS.

Mass Star

Massachusetts Students Accepting Responsibility (MassSTAR) helps to empower students to accept responsibility as citizens and helps create a positive change in our society. These young leaders help to mold their communities and become aware of society. This year's MassSTAR representative is Zach Botelho.

The MHS School Council is a building-based advisory committee designed to help improve decision making, planning, communication and community participation in the operation of the school. The student representative helps school officials in creating the annual student handbook as well as assisting the officials in other necessary decision making throughout the school year. The School Council student representatives this year are Dani Abi-Saad and Leah Gilbode.

Student Government Day

Each year more than 400 high school juniors and seniors arrive at the Massachusetts State House for the annual Student Government Day. For one day students "take over" the roles of court justices and legislators while holding mock committee hearings and mock formal sessions in the Senate and House. This opportunity is to give students a first-hand look at how state government operates. The two students selected this year are Boaz McMahon and McKayla Craig.

Boys State and Girls State

Boys State and Girls State is an American Legion leadership action program qualified high school juniors take part in a practical government course designed to develop in the young citizens a working knowledge of the structure of government and to impress upon the fact that government is just what they make it. In 2008, Molly Driscoll represented Middleboro High School at the Girls State conference while Brandon Poli went to Boys State.

Youth & Government

YMCA Youth and Government brings the workings of state government alive to students. It creates an opportunity for students to discuss current state issues with state administrators, elected officials, and students from high schools and YMCA's across the state. Each conference is led by teens elected to office by their fellow delegates, where they are guided through mock meetings and can debate or vote on bills student delegates have presented.

These students learn what it takes to become a firefighter first hand. This year students were involved in a search and rescue and many other real life scenarios. By the end of the school year students walk away with a knowledge which will not be forgetten as well as a new respect for the fire department and the dangers that firefighters face.

Police Interns

Standing: Jimmy Simmons, Bo McMahon, Tim Theriault, Officer Ferreira. **Kneeling:** Mike Bernabeo, Kayla Wyatt, Matt Mansir

They learn how to use the dispatch system by answering phones and listening on the radio as well as sitting in at different court cases. Most of the opportunities are rewarding, but they still have to learn all the paperwork behind it. During their clerical work, students enter citations into the computer while also doing other various paperwork. At the end of their internship these students will be able to better understand the law enforcement world as well as what it takes to become an officer of the law.

Boys Soccer

We witnessed an exciting Boys Soccer Season in 2008. Although a record of 3-14-1 may seem the opposite, the boys fought heroically every game. Spectators from both sides of the pitch were amazed at the passing ability of this team. Moving the ball down the field was a strong point, finishing seemed to elude the team. To their credit, they never gave up, but instead persevered and continued to improve as the season progressed. The team says goodbye to three seniors, Mike Golob, Andy Golob, and Chris Rousseau. We will miss them all as they were intergral components of our team this past season. Chris was a fierce competitor on defense. The Golob boys played outside mid-fielders, one left footed and one right footed. Thank You Seniors!! As the team looks forward, we have some very good players returning. Mike Lees, David Card, Sean Spillane, Michael Van Riper, Alex Norton, Zach MacAulay, Jonathan Wiley, Chris Benson, David Wise, Ethan Norton, Greg Dudek, Scott Glendye, Matt Rousseau, Jonathan Garanito, Cory Bailey, Isiah Spears, and Felipe Caballero-Wrights will be asked to step up play and get the Middleboro team back into post-season play. Captains Mary Farley, Emma Harnett, Cassie Michel and Courtney Simao along with the other seniors- Lisa Mullen, Catherine Jessop, Lauren Tierney, Rebecca Gaudet, and Abigail Hindmarsh led the team with dedication and enthusiasm from the Survivor Games of August (and a practice on the beach!) to the chill of late October's final matches.

Our W/L record shows a bit of regression, due in large part to a lack of depth relative to last year's squad. This year's hockey team was led by seven seniors whom were referred to as the "the best group of upperclassmen" Coach Tim Kinch ever managed during his 9-year tenure. Led by senior co-captains Scott Chamberlain at forward and Rich Leonard on defense, along with assistant captains Joe Braasch (forward) and Jarrid Pike (goaltender), and bolstered by senior defensemen Pat Kinch, Matt DeLuca, and Rick Ezerins, the Sachems' outlook on the season was bright. These seniors were dedicated leaders that formed good team chemistry in the locker room and on the ice. While the team was confident, the challenge that awaited them was daunting. The Patriot Ice Hockey League is considered one of the best Division II/III leagues in the State and usually has a representative in the State Championships year after year. The team was competitive in the strong league, battling defending State Finalist Scituate to a 2-2 tie and almost knocking off 2007 DII State Champ Hanover before bowing 1-0. The Sachems did sweep two games with Taunton for the second year in a row and knocked tourney-bound Rockland for their three wins. The team exhibited plenty of class and character. Due to the leadership of the seniors and the efforts of the entire squad, the players can hold their heads high; never in the history of MHS varsity hockey program has a team played a more difficult schedule.

Boys Basketball

Led by senior captains Kitaro Allioth, Dominique Bailey, Anthony Guadalupe and junior captain, Zach Maddigan, the 2008 2009 boys basketball team, for the second year in a row, earned a spot in the Division III South Sectional MIAA Basketball tournament. Finishing the regular season with a record of 10-10, the boys finished in second place in the Fisher Division and sixth place overall in the Patriot League. Scrappy, hardnosed play by Robbie Donoghue, tough interior rebounding by Matt Grinham, and great outside shooting from Alec Wilson round out other members of this year's senior class and their impact. The juniors, Jake McMachon, Jon Wylie, Jake Szulak and DJ Shelters also contributed greatly to the team this year and look to lead the Sachems to the tournament again next year.

Back Row: Jake Szulack, Matt Grinham, D.J. Shelters. Middle Row: Jake McMahon, Alec Wilson, Rob Donoghue, Jon Wiley, Coach Dizel. Front Row: Dominique Bailey, Zach Maddigan, Kitaro Allioth, Anthony Guadalupe

Wrestling

The Sachem wrestling team finished the season with a team record of 3 - 17. Filling only 7 or 8 of the 14 weight classes made victory elusive for the team often forfeiting 36 points to the competition. Despite the losing record and the low numbers, the team had an exceptional season of intense training and challenging competition. The Sachems competed in 5 varsity tournaments and 4 junior varsity tournaments, traveling or hosting most weekends during the winter season. The Sachems hosted the 2nd Annual Rod Berry Memorial Tournament in January. The captains this season were seniors James Muirhead (285) and Anthony Barbato (189) with junior Teddy Paquin (152). Muirhead had an exceptional regular season with 4 tournament championships to his name. Durin the post-season Muirhead defended his heavyweight title at the Division 3 stat tournament, then went on to be Middleboro's first All State Wrestling Champion! Battling injury and illness the rest of the skeleton crew traveled far and wide in search of competition. Barbato compiled a record of 20-9, while Paquin finished with a record of 17-12. The varsity line-up also included senior Nicholas Swale (215) and sophomores Timothy Doucette (160), Kyle Carney (189 & 215), and Nicholas Kinsman (215) who wrestled in both varsity and junio varsity tournaments with freshmen Vu Ngo (119), Ethan Norton (130), and Scott McDaniel (135).

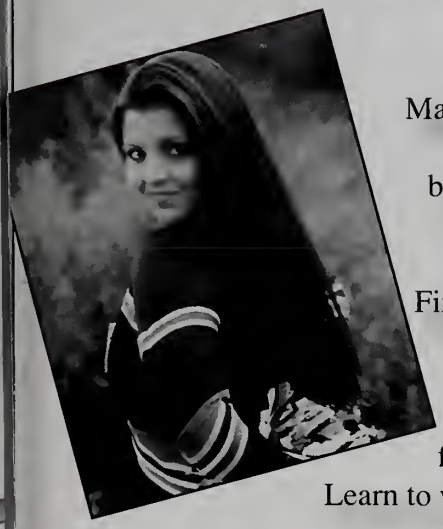
May you find serenity and tranquility
in a world you may not always understand.

May the pain you have known
and the conflict you have experienced
give you the strength to walk through life
facing each new situation with courage and optimism.

May a kind word, a reassuring touch,
and a warm smile
be yours every day of your life,
and may you give these gifts
as well as receive them.

May the teachings of those you admire
become part of you,
so that you may call upon them.

Remember, those whose lives you have touched
and who have touched yours
are always a part of you.



May you not become too concerned with
material matters,
but instead place immeasurable value
on the goodness in your heart.

Find time in each day to see beauty and
love in the world around you.

May you see your future as one
filled with promise and possibility ..
Learn to view everything as a worthwhile experience.

May you find inner strength to determine your own worth by yourself, and not be dependent on another's judgment of your
accomplishments but most of all for
"not trying to fit in when you were born to stand out"!!

Whatever dreams you are dreaming, may each one of them come true!!

Love You always,
Mom, Dad, Lexie, Kylee, Matthew, Grammy and Grampy

My dearest Kelley...

I have always said, "God gave you to me to make me laugh..." You have brought so much laughter and joy to our hearts throughout the years, that it seems the youngest member of our family has in fact pulled us all together ... Your boundless energy and uplifting spirit makes being with you a pleasure. You have provided us with endless entertainment and fun, for this we are grateful. Always remember the good times boating, camping, snowmobiling and especially cruising Bermuda. This past year especially has proven to us that you are able to overcome great obstacles and show great courage in the face of adversity. You my dear are a very special girl able to focus on outcomes and work hard to accomplish any goals you set your mind on. You have the brightest future in front of you and we look forward to watching you continue to grow into the wonderful young lady you are. You have made our family so very proud.

We love you always and forever,
Mom, Dad, Christie, and Brendan.

Congratulations Jimmy!!

Walking into the Central Cafe is like taking a step back in time - except that most customers will recognize more than a few familiar faces. The Central is Middleboro's version of the place "where everybody knows your name."

The Central Cafe is the oldest cafe in Middleboro. The first customers to walk through the door did so in 1923. The comfortable booths wear the patina of age. The handsome mahogany bar with chestnut rail was purchased by the former owner Angelo Doscoulias's father in Boston for his son's new Middleboro establishment over 70 years ago.

The exterior of the cafe was remodeled in 1997 to create an Irish pub-style entrance that hints at the informal atmosphere of a neighborhood bar from another era. Sometimes the prices seem reminiscent of another time as well. The Central's famous cheese pizza - a long time staple of post-event celebrations for local little league team members and spectators alike. The price, just $2 all day on Monday for eat-in customers. On Tuesday and Wednesday pizza is half price for single and combination toppings.

The Central boasts the best draft beer selection in town for those who don't take the term "pizza and beer" lightly.

Bill Fuller and Mark Hannon proudly welcome you to the Central Cafe. We strive to provide excellent service, top quality food and an enjoyable atmosphere. In keeping with the tradition of our "hometown" cafe.

Thank you for your support. We look forward to seeing you.

"THE DARK KNIGHT,"

a sequel to Christopher Nolan's "Batman Begins," shattered box office records with its July release. In just 10 days, the superhero thriller brought in more than $300 million at the box office, eclipsing the mark held by "Dead Man's Chest" by nearly a week. Filmed in Chicago, the movie's special effects, musical scores and viral marketing added to its allure and mystique. "The Dark Knight" was nominated for eight Academy Awards, including a posthumous nod for Heath Ledger (for Best Supporting Actor as the Joker). Attempting to enhance its Oscar-winning chances and to surpass $1 billion in worldwide gross, the film was re-released on Jan. 23, 2009.
